Nature's beauty present everywhere in Quartz

Developed with luxury holiday in mind, guests will find plenty of living spaces, both indoors and outdoors, to rejuvenate, relax and socialise.

The second floor houses a huge indoor lounge, dining area and adjoining breakfast kitchen. A 49 inch smart TV with high-speed internet, satellite TV, and surround sounds allows the family to relax watching movies.

The first floor also has spacious covered terraces to take in the ocean and valley views.

Outdoors, the main attractions are a huge covered sala, pool deck, and Jacuzzi.

Breathtaking sea and valley views to rejuvenate the soul are seen from all elevations, rooms and garden areas of the accommodation.

*Have the best
dreams in Quartz
bedrooms*

Quartz House has **five double bedrooms** featuring en-suite bathrooms, private balconies and luxury beddings and toiletries.

One of the bedrooms also features a purpose-designed children's retreat with four bunk beds, in addition to the king-sized bed.

Over-sized terraces connect each of the rooms with ease.

All bedrooms are positioned to allow guests panoramic valley or sea views from the privacy of their own space.

Paradise Location

Nestled within private garden spaces, the villa is within easy distance of some of the most secluded beaches in Koh Samui and their world-class restaurants and beach bars.

Located in Taling Ngam, Quartz House boasts a mountain top setting, overlooking coastal southwest Samui, and the famous five islands.

On the other side, one can only indulge into the valley view and its rice paddies.

Samui airport is within 30 km from the villa.

Close by are some of the best of Samui's attractions such as Namuang Waterfall, Samui Paradise Park or great dining venues such as Nikki beach.
